Governing law & miscellaneous. This Agreement is governed by the laws of the State in which the Lender's principal office is located, without regard to conflict-of-laws principles. Time is of the essence. The Borrower represents that all information provided in the application is true and complete and authorises the Lender to verify it, including obtaining consumer reports at any time while the account is open. The Lender may assign, sell, or transfer this Agreement and the Borrower's obligations without notice.
